SENIORS OF 1937

The Senior Class of 1937, now approaching its graduation from Armijo, looks eagerly into the future. Joy is fringed with sorrow at thoughts of leaving their haven of learning for the past four years. In the fifty-nine diplomas to be given, each will hold many happy memories between its fold for the graduate.

Charles Simmers and Albert Walker are Seniors whose pictures did not appear in this "La Mezcla."

SENIOR HISTORY

For many moons the class of 1937 has made camp on Armijo Hunting Grounds, where as papooses we mingled with the braves, the warriors, and the squaws. As papooses we had many battles to fight; we ran the gauntlet of jeers from the whole tribe. Undaunted, we held our first Big Pow-Wow and elected Kenneth Jones as Heap Big Chief with Kenneth Finch and Bill Brownlee as runners. The squaws and braves, becoming accustomed to the new papooses, presented a big reception. We papooses, soon growing up, learned to fish, hunt, and battle, thus taking our places among the brave warriors.

When we advanced to the position of second tribe, we were able to present a big War Dance for all the Armijo Indians. Now, our big chiefs were Kenneth Finch, Mervyn Eaton and Bill Wright; and we found ourselves expanding into bigger and fiercer battles. We entered into tribal activities and found ourselves more and more necessary to the Armijo Indians.

As the third tribe we learned greater use of sign-language, our warriors battled in the sports, our fleet-footed braves ran in races, and our squaws, not wishing to be outdone by the braves, entered into their own tribal activities. Under the leadership of Chiefs Bob Black and Arend Mauro, and Princess Helen Scally, the big tee-pee was decorated in flying colors in honor of the fourth tribe. All the Indians enjoyed this war dance a great deal, and we were very pleased with ourselves at the winning of a great test of skill.

Now, after many battles, and tests of endurance, we have risen to the highest of all positions—that of Chiefs. To lead us through the great trials of Chiefdom we chose Vincent Valine, Sachem; Bill Brownlee, Sagamore; and Edna Sheldon, Princess. During these twelve moons we were truly the leaders of the mighty Armijo Indians with all of our members prominent in tribal affairs. The crowning event of our very successful year was the presentation of the Senior Play by the Dramatic Indians of the tribe with war-paint gleaming.

It is time for us to leave Armijo and to go out in search of new hunting grounds where we will have to win new battles if we are to succeed. We have spent many happy moons among this glorious tribe; and, though scattered by the winds to the four corners of the earth, our thoughts will often return to the battles won and the lessons learned while at Armijo. Through the years, as the Armijo Indians sit around the camp-fire, the prophet will recite tales of the prowess and greatness of the tribe of 1937.

CLASS WILL

We, the Senior class of 1937 of the Armijo Union High School, residents of Suisun, Fairfield, and all points west, being unsound in mind and giddy in memory, do hereby and forewith declare our last Will and Testament respectively.

First, to the unforgettable faculty, we bequeath our humblest thanks for the gentle but firm push they have given us for the last four years.

Second, to the Juniors we give our aloof and casual poise at all times and under all circumstances.

Third, to the Sophomores we leave our polite silences and concentration in all classes.

Fourthly, to the dear little Freshies our priceless dignity; and lastly to the following individuals we leave these precious little gifts;

We, Bill Brownlee and Fred Tomasini, leave our dynamic speech and tremendous ambition to Manuel Campos and Irving Lambrecht.

We, Bob Black and Charles Simmers, will our snappy streamlined heaps to anyone who can start them.

I, Delno Fitch, leave my Apollo physique to Ray Newkirk.

I, Carol Lambrecht, leave my domestic hopes for the future to Martha Ruthe Roberts.

I, Lois Kramer, leave my baseball ability to Betty Ann McInnis.

I, Tom Egusa, leave my pole vaulting ability to Albert Huerta.

HINTS FOR THE FUTURE

All some employees have on their minds is what they have on their backs.

Nothing is improved by anger except the arch of a cat's back.

Always be courteous in the face of discourtesy.

You'll get further by out-thinking a prospective buyer than you will by trying to out-talk him.

Work will Win when Wishing Won't.

You're not dressed for work until you put on a smile.

Learn when to stop talking. You might talk him out of it.

When I hear a salesman boasting of the number of "calls" he makes a day I can't help thinking of a bell hop.

A horse must be "broke" before he will work--Just so with some men.

Laugh, Love and Live Longer.

PUBLICATIONS

Nineteen-hundred-thirty-seven marks the thirty-third birthday of our weekly paper, The Armijo Student. When the paper first came out in 1904, it was in booklet form, and published only about five times a year. Later it came out in printed form like a newspaper, but it was found that a larger paper could be published at a much lower cost by using the present mimeograph system.

This year a special journalism class was organized, and has been in charge of the weekly publication. Departing from the usual habit of having one staff all term, our faculty advisor, Miss Marie Larson, chose two staffs, the second one taking office after Christmas.

We started out with an eleven-page paper, and have tried to increase it with each issue. The largest issue was the Christmas edition, containing 28 pages, and printed in red and green ink.

Another old custom of selecting one cover design for the entire year, was dropped and instead we used pictures according to special issues and holidays. We added a regular exchange editor to our staff and have received papers from about 36 different schools, including Elensville, New York, Bellevue, Pennsylvania, Camden, South Carolina, and Albuquerque, New Mexico.

In publishing the Armijo Student, we have tried to increase and strengthen the bond between the students and the faculty, and between Armijo and other schools. If this has been accomplished, we feel that we have done a good job.

JUNIOR ENGLISH CLUB

The Junior English Club, consisting of third-year English students, elected the following officers at its September meeting: Wylda Pangburn, President; Dorothy Tomasini, Vice-President; and Kathryn Jacobson, Secretary.

Meetings were held once a month. The first meeting, which was held in November, was devoted to a study of Journalism. Interesting talks were given by several of the members.

At the second meeting, The Novel, was the main topic. Brief reviews of the novels, Gone With The Wind, The Man From The Norlands, and The Good Earth, were given by a number of the members. Miss Maybelle Eager gave a very educational and enlightening talk on her trip to the South Sea Islands, during the year.

LATIN CLUB

The Latin Club, under the supervision of Kenneth Jones, President, Jane Stewart, Vice-President, Frances Woods, Secretary, and Miss Carlson, advisor, organized interesting programs and projects for the year. Some of the meetings were devoted to the study of mythology and Roman life. The last few meetings were given over to practicing of the play "Julius Ceasar", which was presented at a joint evening meeting of the Latin and Spanish Clubs, on April 6, 1937.

As an outside activity, the members have made various models of Roman objects.

BAND AND ORCHESTRA

Mr. W. F. Newell, Musical director of Armijo, has succeeded nobly in the rebuilding of the orchestra and band. Each year both Musical groups lose many of their best and most experienced players. One of the greatest and hardest problems that confronts the leader of a school musical organization is to surmount this obstacle, which Mr. Newell has been able to do each year.

Both the band and orchestra have had a very successful year. They played for a number of programs, such as the Girl Scout Program, The Solano County Music Festival, the Senior Play, and the Commencement Exercises.

The band played at the league football and basketball games of the season and was successful in intensifying the enthusiasm of both the players and spectators.

The orchestra and band are anxious to begin another new and successful year. Although some students will be missing, those remaining will do their best under the supervision of Mr. Newell, to maintain the standards of these organizations, and keep them on the path of progress.

MATHEMATICS CLUB

The mathematics club, under the management of Miss Ruth Tomasini, has put another successful year on the records. The annual election was held whereby Dick Harris was elected president; Lawrence Wilson, Vice-President; Emiko Dotemoto, Secretary-treasurer; and Bernyce Chadbourne, Board of Control member.

The initiation, was carried on by the following members: Kenneth Jones, Dick Harris, Bill Brownlee, Lawrence Wilson, Fred Tomasini, Bob Black, Emiko Dotemoto, Joy Okahara, Morey Egusa, Harry Kojima, Tom Egusa, and Grant Ichikawa.

The victims were George Maves, Kathryn Jacobson, Keith Ridenhour, Bill Hallisey, Edwin Wood, Wylda Pangburn, Eric Reutern, Dorothy Tomasini, Bernyce Chadbourne, and Ruthe Crane.

The programs for the different meetings were provided by committees of three who were appointed by the president. The outstanding program was provided by Allen Pangburn, a graduate of this school, who gave an interesting illustrated talk on the Hawaiian Islands, where he is now employed by the U. S. Government.

GIRLS' SPORTS

Girls' Basketball seemed to be the most exciting and outstanding of the year. All classes put out a hard fighting team, but the Juniors had the upper hand and the most powerful. With Wylda Pangburn and Elaine Asanoma as guards, Bernyce Chadbourne and Kathryn Jacobson as forwards, Dennie Chadbourne side-center and Gertrude Mack as jump-center, the Junior team was the quickest and most accurate of the school. Many winter nights, teams were selected by Miss Marie Larson, instructor, to compete with the town team for practice. Dennie Chadbourne the manager, managed things to end a successful year of basketball.

Soccer and Speedball were also very successful games for the Armijo athletic girls. The Sophomores and Freshmen were more expert than the rest. The Freshmen winning Soccer by a great margin and the Sophomores gaining the winners title of Speedball. The manager was Elsada Chadbourne, who made a successful job of it.

Minor sports played this year were volleyball, badminton, and ping-pong. Ping-pong and badminton were initiated this year,

a few weeks after Christmas vacation. The Volleyball champs were the high and mighty Juniors, with the Seniors coming in close behind. The Armijo ping-pong champion was Ada Kojima. Harry, her big brother, came in very close.

Baseball was a popular sport this year; with all the classes coming out with a new and more vigorous energy. Baseball was played during the last weeks of school. Although there were many other doings going on, all girls came out and played baseball with all of their interest. With Gertrude Mack as manager, baseball proved to be a well represented game.

Dixon and Vallejo invited girls to their play day, and teams were selected.

Miss Larson instructed and coached all of the girls to become active and more interested in the games.

We hope that all girls, next year will participate in all of these interesting games and earn all of the awards that are offered by the G. A. S.

TAKE IT FROM ME

Another good thing about telling the truth is, you don't have to remember what you say.

Say nothing when you have nothing to say, and keep on saying nothing when the prospect has something to say.

Remember, every man is entitled to his own religious and political belief and it's not up to you to change either.

Walk fast. A fire department looks just as much like business when answering a false alarm as it does when going to a real conflagration.

The faults we see in others would seem small to us if we could but see our own.

It isn't what you start that counts--it's what you finish.

GIRL SCOUTS

An active year was held by the Girl Scout troop this year, beginning with the election of patrols and patrol leaders, namely, the Shamrock Patrol, Olga Simonini-leader, Horseshoe Patrol, Bernyce Chadbourne-leader, Four-leaf Clover Patrol, Barbara Roney-leader, and the Marienne Patrol, Dorothy Tomasini-leader.

During the fall, dinner meetings played a prominent part. A Court of Awards was held November 19, at which time 5 girls were invested as Tenderfoots, 10 became second class, and 5 received proficiency badges.

As a special Christmas celebration the scouts broadcasted over KLX Oakland and special comment was received from regional headquarters concerning the radio program.

The spring program (Girl Scout Trails), drawn up by the Court of Honor included social events, such as the April Fool Frolic and Valentine Party, activities for training such as badge groups, nature hikes, and first aid study, money making efforts, the 11th annual Scouts Skits, the annual Spring Court of Awards held May 13, 1937 when 1st class, 2nd class and proficiency badges were presented to a majority of the troop members, and community service by assisting the Benicia troop during their 25th anniversary week when their Scout Jamboree was presented.

Plans for Camp Riverside to be conducted June 6 to 20 occupied the remainder of the school year. The membership of the troop this year included 38 scouts, 2 lieutenants, 1 captain, and 5 committee members. Executive officers of troop included Ruthe Siebe, Reporter, Dorothy Cooper, Scribe, Ruthe Crane, Treasurer, and Charlotte Bailard, Juliette Low Member.

Splendid publicity was secured throughout the year in local papers, by correspondence, by posters, and by a Girl Scout Exhibit conducted during Girl Scout week, the last week in October.

TENNIS

The year 1936-37 brought out more would-be tennis players than ever before. Everyone seemed to have his eye on the medals which are offered for the best boy and best girl tennis player in the school. James Hopkins for the second consecutive time, won the boys' modal, with Kenneth Jones as his strongest rival. Ruthe Crane won the medal for the girls, defeating Wilma Widenmann by only a small margin.

In the ladder tournaments which were held for both boys and girls, the contestants came out in the following rank.

The 1936 football team completed the most successful campaign an Armijo team has ever made when it won a Central California championship to climax an undefeated grid season.

At the beginning of the season, little was known of the Indians' strength. The opening game found them battling on fairly even terms with the Vallejo Ramblers for three quarters. Then Coach Bailey's men put on an offensive drive that netted them two touchdowns in quick succession. The Fairfield boys trotted off the field with a 12-0 victory tucked under their belts.

The next game was a practice tilt with Davis, the leading contender of the Northern Section. Armijo scored shortly before the half, and hoped to hold the visitors scoreless. However, the Blue Devils drove down deep into Armijo territory, and then heaved a long pass to score six points and tie the count.

On October 9, the fast improving Armijo eleven opened its league season at Rio Vista. Due to the extremely poor conditions of the Rio Vista gridiron, the

Indians were slowed up very much and had a hard time eking out a 7-0 victory over the river boys.

The following week, the Armijo machine administered a 28-6 licking to the Winters varsity. After rolling up a safe score, the first team was replaced by second and third string men. Even then the Indians continued to score. However, a Winters back succeeded in slipping past the much weakened Armijo defense and ran 60 yards to score Winters' only six points. This was the second and last touchdown to be made against the Indians.

On October 23, was the Dixon game. The Armijoites, remembering the struggle for the county championship that the 1935 team had had with Dixon in which the Fairfield team emerged victorious by a 9-8 score, went to Dixon determined to give all they had in an effort to swamp the Northerners. Their efforts were rewarded when they returned with a 33-0 victory.

By now it was seen that Armijo had a really powerful football machine. However, there was much talk of the long line of impressive victories strung up by Vacaville, Armijo's ancient rivals. The Armijo-Vacaville game was scheduled to take place on October 30. Both teams were determined to hand the other a decisive licking. On the day of the game it rained so the contest was postponed until November 5.

On November 5 the confident Vacaville varsity lined up against the determined Armijo eleven. Every Armijo player vowed to do his best in whipping Vacaville by a wide margin. One of the largest crowds ever to witness a grid game in this town packed on to the field to watch the ancient rivals battle. During the first quarter Vacaville seemed to have the edge over the Indians. However, a tired but happy group of gridders marched off the field on the long end of a 25-0 score. Their dream of walloping Vacaville had come true.

Then came the county play-off against Davis. These two teams had already battled to one tie and it looked like it would be the toughest game ever played on the local gridiron. However, the Indians were bound for the championship, and Davis wasn't going to stop them. After forty-eight minutes of hard football, during which Mack romped over for six points, Colla converted on a plunge, and Jones received a pass for a touchdown, the Indians sent the Davis gridders home on the short end of a 13-0 score.

One week later, the enthusiastic Armijo warriors went to Elk Grove to play for the Sacramento County championship. The hard grid battle which ensued will not be forgotten for a long time by the Armijo gridders. Although they emerged victorious by a 6-0 score, it was one of the hardest fought games of the year.

On November 27 was the game that every Armijo football man had been striving for. It was a game against Patterson High for the championship of Central California. The Indians went to Patterson determined not to miff this chance for the highest honors any Armijo team had ever won. Although greatly handicapped by a 90-mile ride, and a strange field, the Indians fought valiantly and swamped the Patterson boys by an 18-0 score.

Thus ended the campaign of the most powerful football machine Coach

Carroll Bailey has ever produced at Armijo. The success of the team was due mainly to the efforts of Coach Bailey and the cooperation of the players both among themselves and with the Coach.

The eleven gridders who started and played most in the majority of the games are Jones and Tomasini, ends; Hance and Toselli, tackles; Campos and Spohn, guards; Brownlee (Capt.), center; Valine and Mack, halfbacks; Harris, quarterback; and Colla, fullback.

Following is a complete roster of the varsity squad, all of whom earned their letters:

A BASKETBALL

Although the B and C basketball teams were exceptionally successful this season, the Varsity squad had a very poor year. They succeeded in winning but one game--the game with Winters in which they won 18-13.

Weakness of the team was due to the fact that there were few experienced basketball players on the squad. There were no veterans from last years varsity.

Even though the team was continually beaten both in practice and league tilts, it never gave up hopes of winning games. Finally its efforts were rewarded when it eked out an 18-13 victory over the weak Winters High Varsity. Although inspired by this victory the team could not cope with the other teams of the league and so lost the rest of the games. The first string lineup of the varsity was: Tomasini--center; Colla and Campos--guards; Valine and Bayona--forwards. Other members of the squad were Fernald, Jones, Spohn, and Valladao.

Following is a summary of the games this season:

B BASKETBALL

This year, Coach Carol Bailey put out one of the finest class B basketball teams ever to don the purple and gold uniforms.

In an early season practice game the Indians lost to Vallejo High in a close game. However, a few days later they avenged this defeat by decisively trimming the Vallejo five. From then on the Armijoites went undefeated until the last game when they bowed to a powerful Auburn team.

In the first league tilt, the Indians polished off the Winters Five by a 40-14 score. Rio Vista, boasting of its potential championship B team, bowed to the Indians by a 22-11 count. Esparto, although bragging of its best team in years, also saw defeat at the hands of the Armijo boys to the tune of 25-20. The powerful Rio Vista basketeers were again met and defeated, this time 27-19. The Indians then beat Vacaville in two games and were ready to play Esparto for the county championship.

The Armijo-Esparto tilt was the best basketball game ever seen in this county. The Espartans much improved since their first game with Armijo, started out with a bang. By the end of the first quarter they had quite a large lead. However, the Indians fought back gamely and brought the score to a tie at the half. During the third quarter the Esparto hoopsters were unstoppable, and by the end of the period were leading 25-15.

The small band of rooters who had followed the team to Esparto gave up all hope. How could the Armijoites make up ten points against such a powerful defense as the Esparto team had? However, the five fighting men on the floor didn't give up. They still had eight minutes left. And what those five men didn't do in eight minutes! No sooner had the quarter started than the ball was put through the hoop for two points. Immediately afterwards the ball again swished the hemp. Led by George Maves, lanky Indian center, the Armijo quintet really opened up. Maves was playing the best offensive game of his career, while Egusa and Hopkins continually fed him the ball, and Black and Valladao played a marvelous defensive game. With but three minutes to go, Armijo was still two points behind. Then a shot from under the basket tied the score. With but one minute to go the ball was sent through the hoop to put the Indians in the lead and win the game for them at 27-25.

With the County Championship tucked under their belts the Indian B's then went in search of other laurels. Their next opponent was Stockton, when they played for the Big Four Championship. After the roughest game ever witnessed hereby local basketball enthusiasts, the Armijo basketeers emerged victorious by a 32-29 score.

Patterson was subdued with ease by a 43-19 score, and the Indians found themselves pitted against a powerful Auburn team in the playoff for the Central California Championship. The Armijo five vainly tried to keep up with the Auburn men, but found themselves slightly outclassed.

After a hard struggle the Auburn team won out and left with a 32-21 victory over the Indians. It was a hard one for the Armijo boys to lose for they were on the brink of winning the third Central California Championship of the year--something that has never happened before in the history of Armijo.

Hopkins and Scholl at the forward positions, Maves at center, Egusa, ~~Black~~, and Valladao at the guard positons formed the powerful Armijo B team which was beaten in title games only by the best Auburn team that school has ever had. A summary of the games this year is as follows:

	Armijo	Opponent
Petaluma	24	18
Vallejo	16	22

C BASKETBALL

The Class C basketball team, although starting the season rather slowly, soon hit its stride and bowled over all opponents until it won the Central California Championship.

The first league victim was Winters, whom the Indians handed a 25-8 thumping. The next game was with the highly touted Rio Vista five. Rio had an excellent team and its Coach thought it a cinch for the Championship. However, after one of the hardest fought cage games ever seen between C teams here, the Armijo basketeers came out on top 19-17.

Esparto and Vacaville were taken with ease, and the papooses again faced Rio Vista. This time Rio Vista, determined to win a tie with the Armijo five, came through with a 20-16 win over the Warriors. This threw the two teams into a tie and a playoff was necessary. In the playoff game the Indians displayed the most superb exhibition of basketball of the season. They ran wild over the hard-fighting Rio Vista quintet to win by a score of 18-6. The Indians had no trouble in licking Davis for the S.C.A.L. Championship by a 22-9 count. They then annexed the Big Four Title by handing the Stockton cagers a 28-11 beating.

The Courtland game for the Central Calif. Championship was another hard fought battle. In fact Courtland had such a large lead at the end of the third quarter that little hope was held for the Armijo five. However, the Indians showed their wonderful fighting spirit by making a sensational comeback to win 24-21. In so doing they hung up the second Central California pennant of the year for Armijo. The five hard-working first string men were Mack and Munoz--forwards; Gein and Hopkins--Guards; Ridenhour Center. Others who won their letters and who assisted very much in winning the championships were Hallisey, Chan, Osada, and Asis.

Below is the splendid record of the C team for the year 1936-37.

Won	Opponent	SCORE	
		Armijo	Opponent
Won	Winters	25	8
Won	Rio Vista	19	17
Won	Esparto	37	7

CLASS PROPHECY

Now that graduation is near at hand we all realize that our paths shall soon separate and each of us shall walk in different worlds. Out of sheer curiosity, I visited a Hindu mystic and for the benefit of my class mates will give you the low-down on what the future holds for you.

We are now in the year 1957. Kenneth Finch is running against Landon Jr. for presidency of the United States.

Anne Juan is one of the foremost dancers and opera primadonas of the day. Be sure to tune in on station S-A-P every Saturday at 8 p.m. for her famous radio program.

Olga Simonini and Frances Woods are still the same old pals. Frances is a well know actress and Olga is her publicity agent.

Lula Meyer has risen to the heights of fame as Fannie Brice the second. Her business manager, we hear, comes from San Jose. 'Tis rumored they are married but she denies it emphatically.

Ramona Oberti and Bill Wren have formed a profitable business arrangement. They dance in Fairfield's most notorious night club run by Joe Valladao.

Karl Stemmler is a Cattle King and owns thousands of acres surrounding the metropolis of Cordelia. Not long ago he married Lorraine Buzzini and upon entering society Lorraine hired Luigina Lamiranda as her cook and Grant Ichikawa as Karl's valet.

Vincent Valine, failing to make the All American, left the country and hasn't been heard of since.

Ramona Wallace is now suing Delno Fitch for a divorce. She claims he is a brute and is continually practicing football in her living room.

Wilma Widenmann, after many broken engagements, finally married Kenneth Jones.

Dick (Reed) Harris and Lawrence (La Verne) Davisson are leaders of a dangerous criminal gang whose headquarters are in the "Little Chicago" of California--Suisun. Lawrence Wilson, another Edgar Hoover, and his side kick, Harry Kojima are hot on their tracks.

Grace Pappas married into money. She travels and flies about on her husband's income. Poor income!

Beth Sweeney graduated from college with honors but instead of following a career she has become Mrs. Fred Tomasini. Fred is a successful farmer.

The foremost creamery and milk route is owned by Mervyn Eaton. Pat Trainor works in his fountain and they say she is a good drawing card. Bill Wright is seeking her hand but so far has found it cool. Bill is a professional rum runner.

Following in his father's footsteps, Bill Brownlee, is principal of the Armijo Union High School. The janitors working there now are Arend Mauro and Albert Walker.

Ralph Darville is a successful business man. Since Deloris Bishop and Edna Sheldon refused to be separated both are working as stenogs in his office.

Bob Spohn is editor of the Solano Republican which appears twice a year. His success is due to his crackerjack reporters Morey Egusa and Guido Risso.

Charles Simmers is in Oregon working in a lumber camp. His wife, Grace McGinnis, keeps him well fed and they are very happy.

Sid Mack is still the idol of many a young maid as in days of old.

A circus is in Fairfield and none other than William Roche is the thin man. The barker for this side show is Raymond Risso. Tom Egusa is the knife thrower and Lois Kramer exhibits her colossal nerve by posing as the target.

The life's ambition of Susie Mitoma has been realized. She is in the lead of the White Parade in China. Emiko Dotemoto and Joy Okahara are leaders of a Woman's Improvement in Japan introducing American ways.

The most patronized beauty shoppe of the Twin Cities is owned and operated by Luella Tillotson and Angelina Bonifacio. Alvera Rellis is working as a manicurist in their salon.

Helen Scally is in Hollywood trying to crash the movies. So far she has appeared only in minor parts.

The most economical grocery store in town is the property of Bill Fernald. He bought out Evan's and has made many improvements.

In New York, Bob Black is endeavoring to play Romeo--all he lacks is self confidence--but he is much more suited for Mark Anthony's oration.

Carol Lambrecht is now a most faithful housewife and mother.

Phyllis Moore has just been found as a stowaway on a Russian vessel. 'Tis rumored that the ruler of Russia is going to denounce his throne for her hand.

We have lost complete track of Bob Peabody. After his poor heart was crushed in '37 (do you all remember?) he skipped out for places unknown.

William Rodriguez has revived the ancient sport of bull fighting in Mexico.

A famous Montana cowgirl is Genevieve Shaffer. She owns and operates a large cattle ranch and is making money.

Gracious, but San Jose seems to be a popular place from the view point of another Fairfieldian. Evelyn Jose and husband are prominent citizens of the former town.

Heaven help me !! The future is a blank. The mystic sees nothing, hears nothing and says less about Barbara Berry continuing her romance with Don Athey.

CLICKETY-CLICK

I pound and push--and make mistakes,
 The keys just don't go right,
 And by the end of typing time,
 I'm mad enough to fight.

Others type with skill galore,
 My speed just comes in spurts,
 While others are improving
 I get worse and worse.

I spend my time in gabbing,
 I talk to Beth and Louie,
 And when Miss Larsen says, "Now Ruthe!"
 I just mutter "Fooey"

I'd like to type and talk at once,
 But I've found it can't be done
 So I let my pounding go--
 Now typing's much more fun,

Ruthe Crane

I never had such a tough time. First I get angina pectorie, then arteriosclerosis. Just as I was recovering from these I got tuberculosis, double-pneumonia and phthisis. Then they gave me hypodermics appendicitis followed by a tonsilectomy. I don't know how I pulled through. It was the hardest spelling test I've ever seen.

"It seems to have run out of gas," He said and muttered to himself, "here is where I do some fast work."

The girl's face, small and white was turned up to his, her eyes glowing dizzily from beneath heavy lids. Her red lips were parted and she sighed faintly.-----He bent over her--and then--he yanked out a tooth. He was her dentist.

Twenty Years Hence.

Prof. Brownlee: showing a distinguished guest through the Science laboratory said, "and here is where Professor Spohn mixed a high explosive and it exploded with him."

Guest: "Is that the explosive on the walls and ceiling."

Prof. Brownlee: "No. That's Professor Spohn."

BETTY 'N' I 'N' GEOMETRY

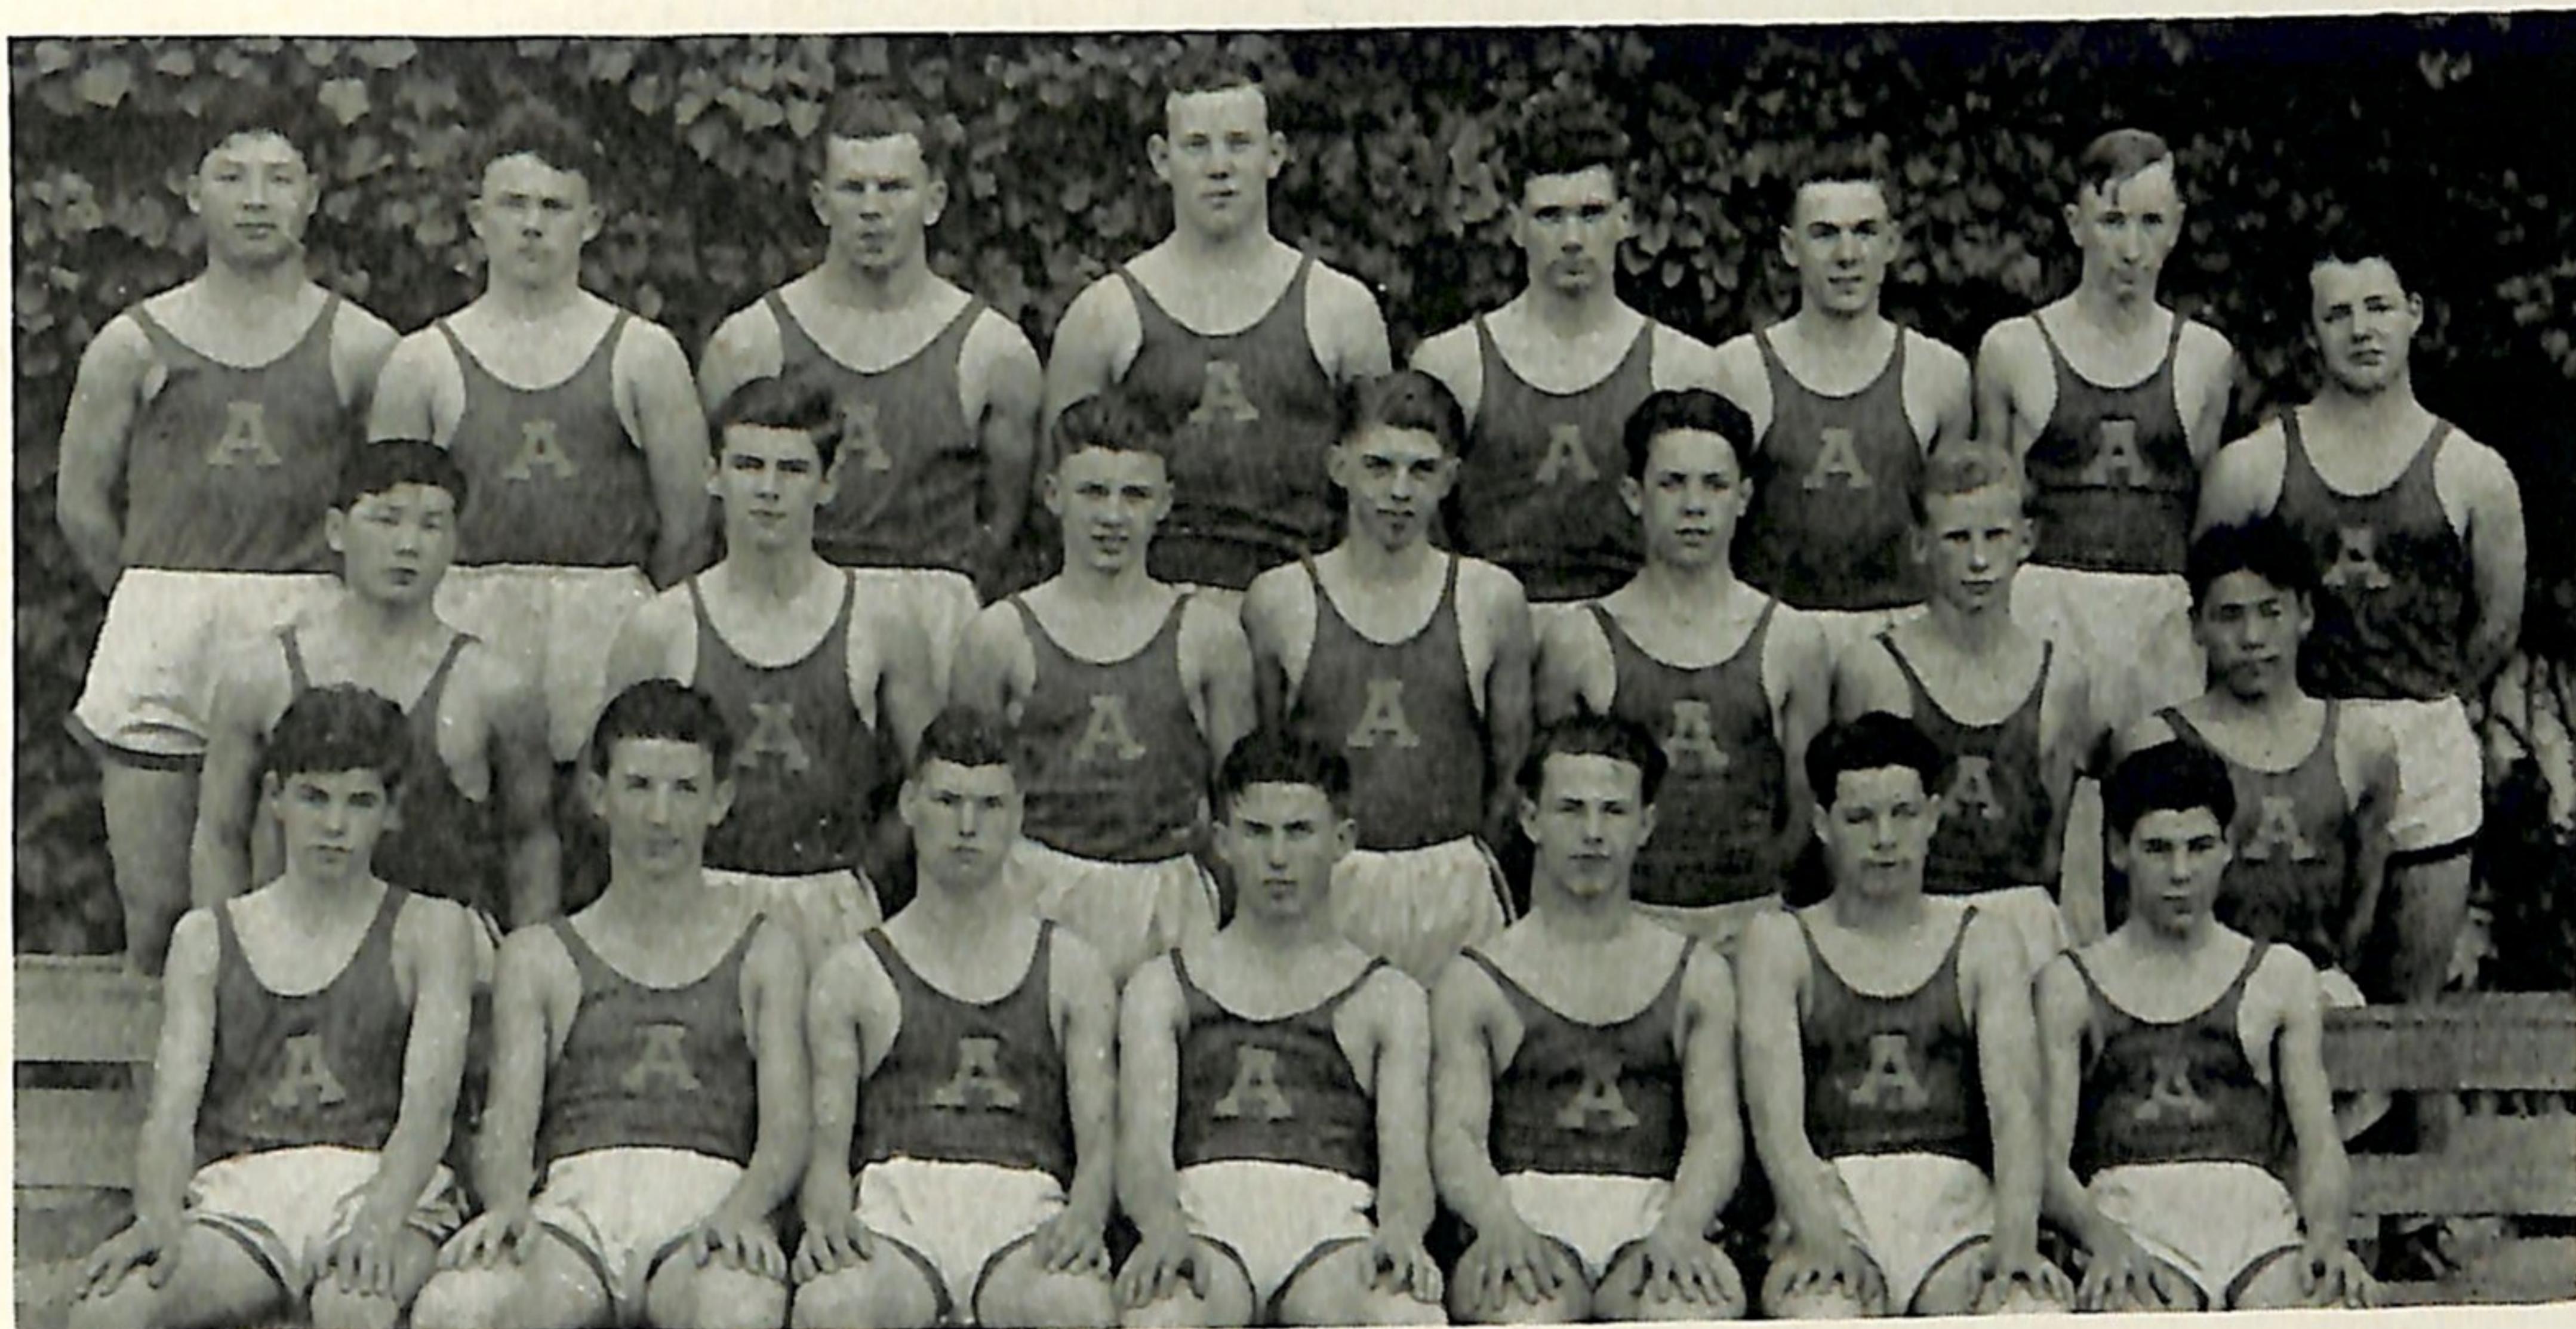

Most students like the first period of the day
'Cause this is the beginning and it will speed away,
But from my opinion (and Betty agrees with me)
First period is hardest 'cause we take Geometry !

Now everyday it's just the same old story,
We ponder over angles and are far from our glory.
Our quotations are always, "Now let me see"--
Why in the heck does Angle A equal Angle B?

When after a time our reason's been found,
Miss Tomasini comes on her daily round,
Just one glance at our proof, she's drawn a conclusion
And all our proof proved was disillusion !

Now Miss Tomasini tells us just what to do,
She chuckles, "I'd start again if I were you,"
Then as she continues her walk 'round the room
Betty 'n' I wonder -- Is Geometry our doom?

The "A" and "B" track teams appeared to be very weak at the beginning of the season. However, they steadily improved until they became main contenders for the county championship. Although the "A's" were beaten by Vacaville in the section meet and the "B's" were defeated by Rio Vista, both teams made fairly good showings, and it was thought that they might upset the dope and win the county title. Unluckily both teams had an off day and so ended a mediocre season.

The "C's" had no material at all and made a very poor showing in the section meet.

Places taken in the S. C. A. L. Meet (County Meet) by Armijo athletes were:
